

Documents required to be submitted

I. Overground Telecom Infrastructure – Mobile Towers, Overground Optical Fiber Cables

- (a) a copy of the authorisation under the Telecommunications Act, 2023 (44 of 2023), or license granted under the Indian Telegraph Act, 1885 (13 of 1885), granted by the Central Government, or exemption from such authorisation or license, as the case may be;
- (b) details of the nature and location, including exact latitude and longitude, of post, mobile tower, portable telecommunication infrastructure or other above-ground contrivances proposed to be established;
- (c) details of the extent of land or floor space required for establishment of the overground telecommunication network;
- (d) details of the route plan for the overground telecommunication line, if any;
- (e) details of the building or structure or location, where the establishment of the overground telecommunication network is proposed;
- (f) copy of the approval issued by the Central Government for location of the above-ground contrivances proposed to be used for the transmission of radio waves or hertzian waves;
- (g) details of the mode of and the estimated time duration for execution of the work;
- (h) details of the inconvenience that is likely to be caused to the public and the specific measures proposed to be taken to mitigate such inconvenience;
- (i) details of specific measures proposed to be taken to ensure public safety during the execution of the work;
- (j) details of the need of facility provider for access to the telecommunication network sought to be established, for operating and maintaining such network;
- (k) details of technical design and drawings of the post or other above-ground contrivances;
- (l) where applicable, a copy of the certification of the technical design by a structural engineer authorised by a public entity, attesting to the structural safety of the overground telecommunication network;
- (m) where applicable, copy of the certification by a structural engineer authorised by a public entity, attesting to the structural safety of the building, if the post or other above-ground contrivances are proposed to be established on a building;
- (n) names and contact details of the employees of the facility provider for the purposes of communication in regard to the application made; and
- (o) details of any other matter relevant, in the opinion of the facility provider, connected with the work proposed to be undertaken

Documents required to be submitted

II. Underground Telecom Infrastructure

- (a) a copy of the authorisation under the Telecommunications Act, 2023 (44 of 2023), or license under the Indian Telegraph Act, 1885 (13 of 1885), granted by the Central Government, or exemption from such authorisation or license, as the case may be;
- (b) details of the underground telecommunication network proposed to be laid;
- (c) if the right of way pertains to existing telecommunication network, a copy of as-built drawings of such telecommunication network;
- (d) details of the mode of and the estimated duration for execution of the work;
- (e) details of the estimated time of the day when the work is expected to be done, in case the facility provider expects the work to be done during specific time of the day;
- (f) details of the estimated expenses the public entity may incur in consequence of the work proposed to be undertaken by the facility provider;
- (g) details of the inconvenience that is likely to be caused to the public and the specific measures proposed to be taken to mitigate such inconvenience;
- (h) details of the specific measures proposed to be taken to ensure public safety during the execution of the work;
- (i) details of the need of facility provider for access to the telecommunication network sought to be established, for operating and maintaining such network;
- (j) names and contact details of the employees of the facility provider for the purposes of communication in regard to the application made; and
- (k) details of any other matter relevant, in the opinion of the facility provider, connected with or related to the work proposed to be undertaken.
